*Providing live, high-quality, diverse, professional entertainment through an affordable concert series for Bolivar, Missouri and surrounding areas!*

Dear Music Lover,

Bolivar Live on Stage is pleased to announce our 64th season of exciting live music performances beginning in September 2010. We have assembled a program that includes a wide range of musical genres from country to pop to classical.

For the coming season, in addition to our traditional two concerts in the fall and two concerts in the spring, we will open with a bonus 5th concert showcasing "Nashville Star" winner, Buddy Jewell on September 7. In October, we will feature acclaimed pianist Eric Himy who has performed at Lincoln Center, The Kennedy Center, and at many other venues in the United States, Canada, Europe, and South America. In November, we present Greg Giannascoli on marimba and percussion performing works from classics to modern.

February brings the Afiara String Quartet to Bolivar. This all-Canadian group was named The Julliard School's new graduate resident string quartet and won the Concert Artists Guild International Competition. We conclude the season with the music of Billy Joel and Elton John performed by Jim Witter in a multi-media "rockumentary."

Bolivar is fortunate to have had live entertainment for over 60 years. This means at least three generations have been able to take advantage of this unique opportunity, and it's very important that we continue this Bolivar tradition for future generations. While we have left our basic season ticket plan at \$40, please consider joining our patron program at one of the higher levels so we can continue to offer live, professional entertainment to area residents and school children in Bolivar and surrounding communities.

Sincerely,

Lee Ann Clark, President

"...a REAL Nashville star!"

-Tom Gilliam, Brentwood, TN

After being crowned the winner of the televised music competition *Nashville Star* in 2003, Arkansas native Buddy Jewell took the world of country music by storm with his tender, heartfelt voice that gained him millions of fans nationwide.
